HCL-149

A detailed wallpaper pattern featuring a repeating design of stylized, symmetrical floral and foliate motifs. The design is rendered in a dark, muted purple or brown color against a light beige background. The motifs include large, ornate scrolls, smaller floral elements, and leafy branches, creating a classic, elegant look.

HCL-150

A detailed wallpaper pattern featuring a repeating design of stylized, symmetrical floral and foliate motifs. The design is rendered in a dark, muted purple or brown color against a light beige background. The motifs include large, ornate scrolls, smaller floral elements, and leafy branches, creating a classic, elegant look.
